

**AEC**  
DODGE & RAM OFFICIAL IMPORTER

## Controller (f/m/div)

AEC is a cooperative partner of Fiat Chrysler Automotive (FCA) and an official importer of DODGE und RAM vehicles into Europe. Become part of our team and join our Munich Office! Reporting to COO and the Corporate Manager for Financial Planning, Analysis & Reporting, the Controller is responsible for monitoring the AEC Europe's financial direction, policies, accounting practices, as well as conducting relationships with lending institutions and the financial community. This individual should come prepared to maintain and improve AEC's systems and coordinate the implementation of a comprehensive set of controls and budgets designed to mitigate risk, enhance accuracy of the company's reported financial results, ensure compliance and maximize profitability.

### This will be your tasks at AEC:

- Direct the financial accounting and reporting function (general accounting and accounts payable)
- Oversee the preparation, evaluation and accuracy of budgets and other financial operating reports
- Promote comprehensive hedging processes to mitigate foreign exchange exposure
- Ensure timely remittance of taxes (payroll taxes, VAT, corporate income tax etc.) and comply with tax filing requirements
- Full responsibility for liaison with tax office and preparing tax reconciliations
- Coordinate Transfer Pricing documentation
- Liaise with HR on mobility in patriate/expatriate agreements in respect of tax considerations
- Collaborate with COO in creation of annual budget that supports the initiatives of AEC Europe
- Prepare monthly, quarterly & annual reports for submission to COO that outline the corporation's financial position in the areas of income, expenses and earnings based on past, present and future operations
- Cooperate with the accounting team at AEC Headquarters in Canada to produce consolidated financial reports
- Develop, analyze and interpret statistical and accounting information using various metrics and provide guidance to senior management
- Manage the year-end audit and preparation of materials
- Maintain & improve system of accounts while keeping books and records of all business transactions and assets
- Introduce and implement systems to improve financial performance of AEC Europe
- Manage the accounting department staff; hire, train, motivate, develop – in order to meet company needs and objectives

### Do you have what it takes?

- Minimum 5 years Controller experience with preference towards previous employment in start-up/high growth and international organizations
- Undergraduate education: Accounting or Business Administration, Graduate Degree (preferred): Accounting or MBA

- Professional Designation: Chartered Accountant (CA), CPA or Certified Management Accountant (CMA) or European Equivalent
- Must be bilingual (English/German necessary), further languages are welcome
- Knowledge of Generally Accepted Accounting Principles (German GAAP)
- Advanced understanding of MS Office (Excel & PowerPoint) and applicable accounting software (i.e. QuickBooks)
- Financial modeling and data analysis skills
- Exhibit high attention to detail
- Ability to manage individuals doing specific tasks (bookkeeping/payroll)
- Ability to develop processes and new procedures from scratch and business practices to mitigate risk

**What we offer you:**

- At AEC, you will work on a wide variety of tasks in a young, international team
- Flat hierarchies and fast decision-making
